

I Go to Preschool

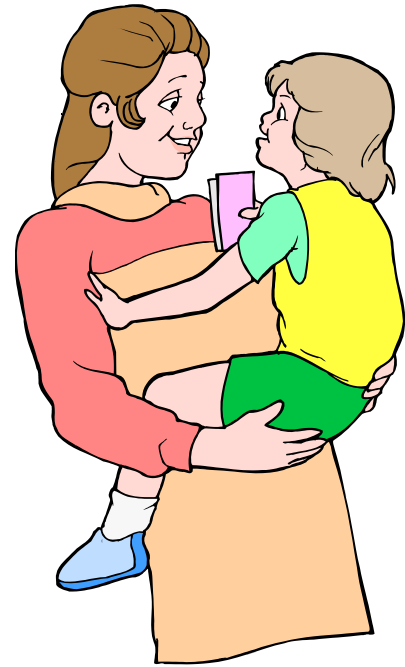

Created by Rochelle Lentini, USF
Adapted 2004

I ride to school in
my car seat.

When I get to school,
I can say "Hi" to my teacher.

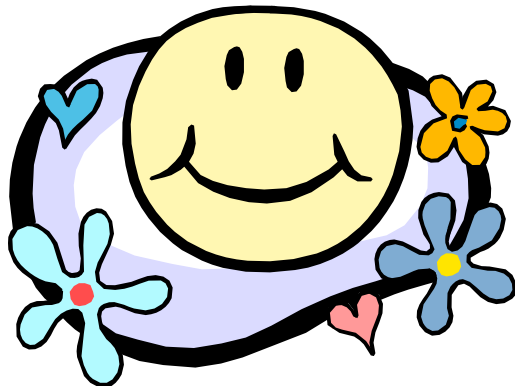

I put my things in my cubby.

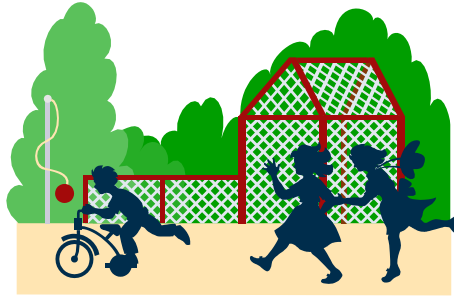

Sometimes I get sad because I miss my family. It's ok, I will see them soon.

My family is busy at work, school, or home.

I can have fun playing at my school.

On sunny days, we usually play outside.

We sometimes play ball.

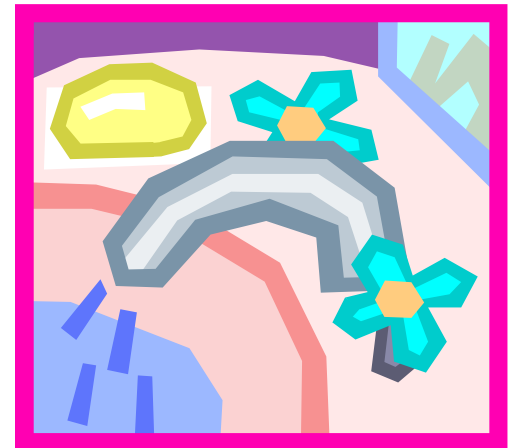

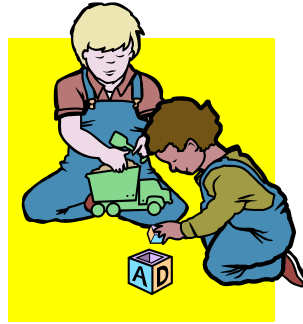

I love climbing and running.

I can go potty like a big kid.

Then, I wash and dry
my hands.

We do lots of fun things at school.

We sing with the teacher and listen to stories.

We play house,

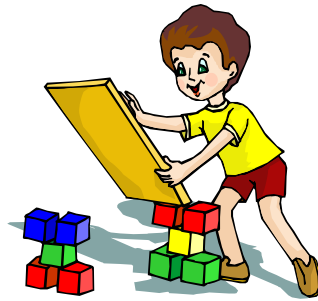

dress-up,

instruments,

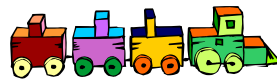

and puzzles.

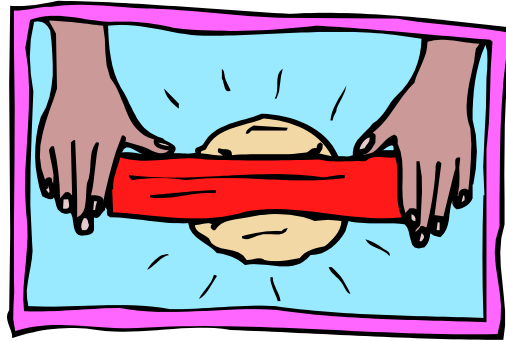

I can do lots of fun things in the block area.

I can build with blocks, legos, and letters.

I can also play with trains, cars, and trucks.

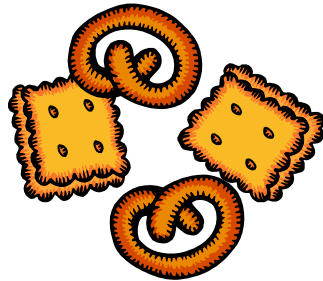

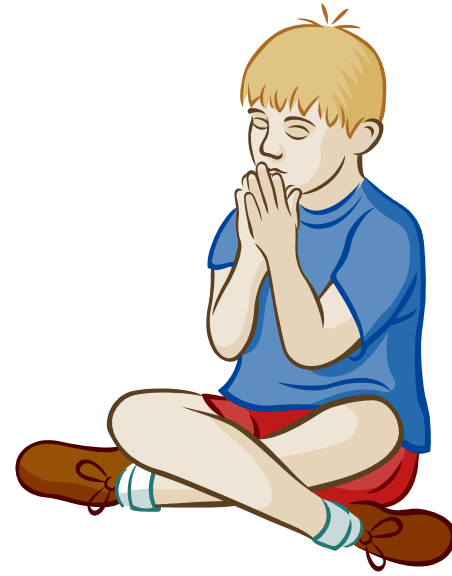

At art, sometimes I play with play-doh.

I also like coloring and painting pictures.

My friends and I
say a prayer

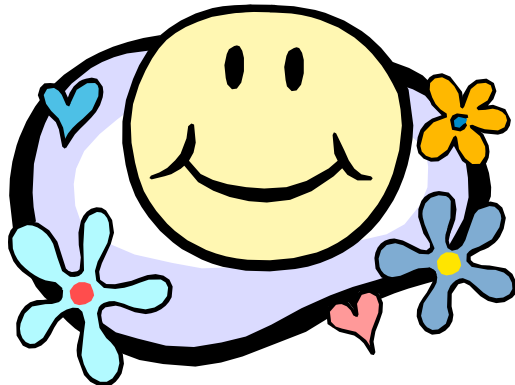

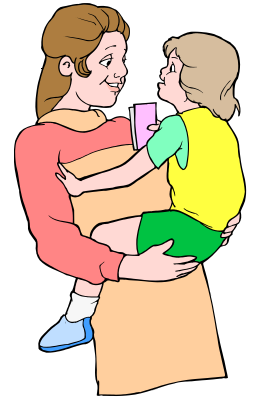

and eat a snack.

Sometimes I get sad because I miss my family. It's ok, I will see them soon.

My teacher helps me feel better. She tells me that Someone will be here soon to pick me up and I can hold my special toy from home.

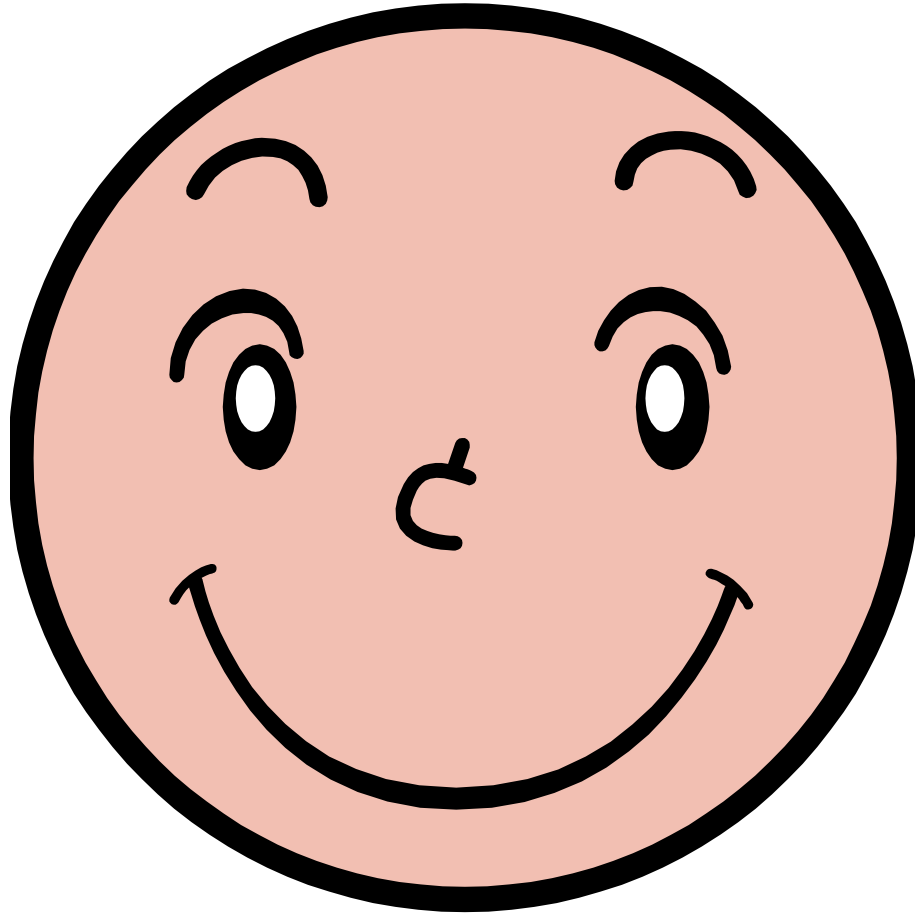

I can have fun playing at school.

Someone will always come to take me home.

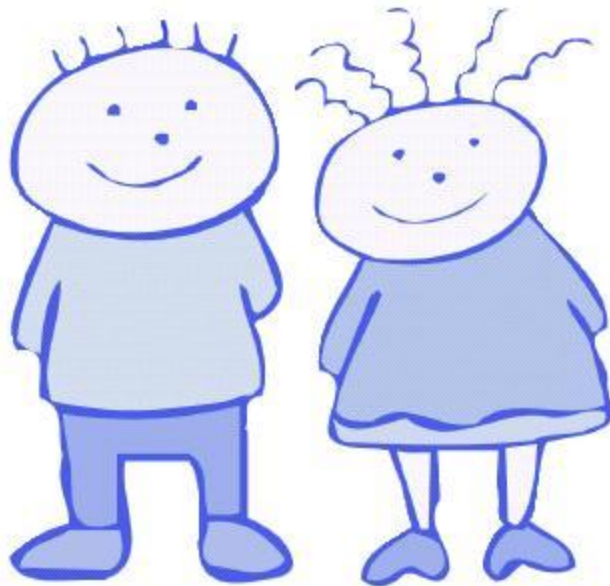

Everyone is happy

when I play and have fun at school!
