

What Do We Do in Circle?

Everyone can go to circle and sit on their seat.

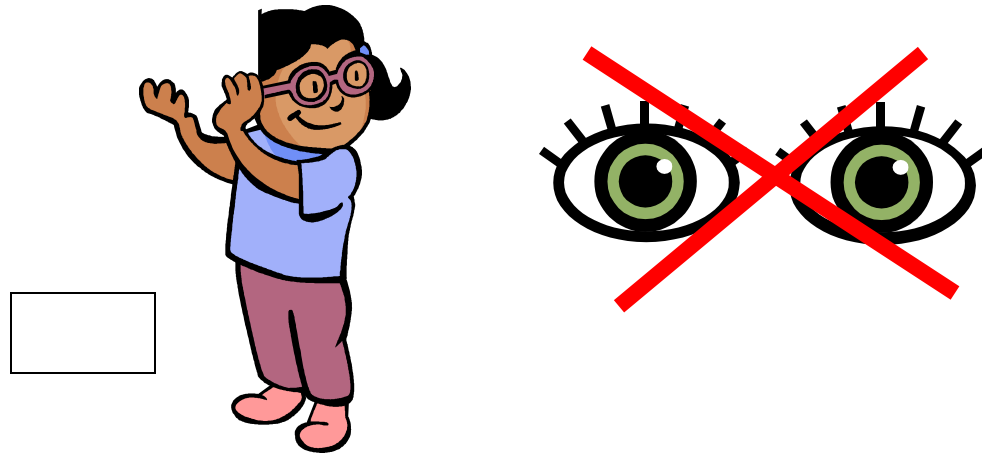

I can sit nicely and look at the teacher.

I can also listen with my ears and try to do what the teacher says.

Sometimes it is hard for me to sit. But I can look at my "sit picture" and try to remember to sit, like all my friends, at my seat.

If I get up off my seat, it is hard for my friends to see and have fun.

When we are in circle, I need to have
gentle hands
and try to keep my hands to myself.

"What do we do in circle?"

When the teacher talks, I sit nice and listen.

First

Then

First the teacher points to me, then I can answer with words.

"What do we do in circle?"

When the class sings, I
can sing.

When the class dances,
I can dance.

"What do we do in circle?"

We can talk to God.

The Circle Rules are:

I sit on my seat.

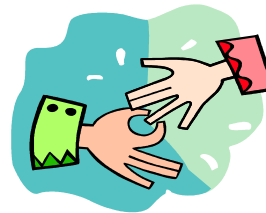

I look at the teacher.

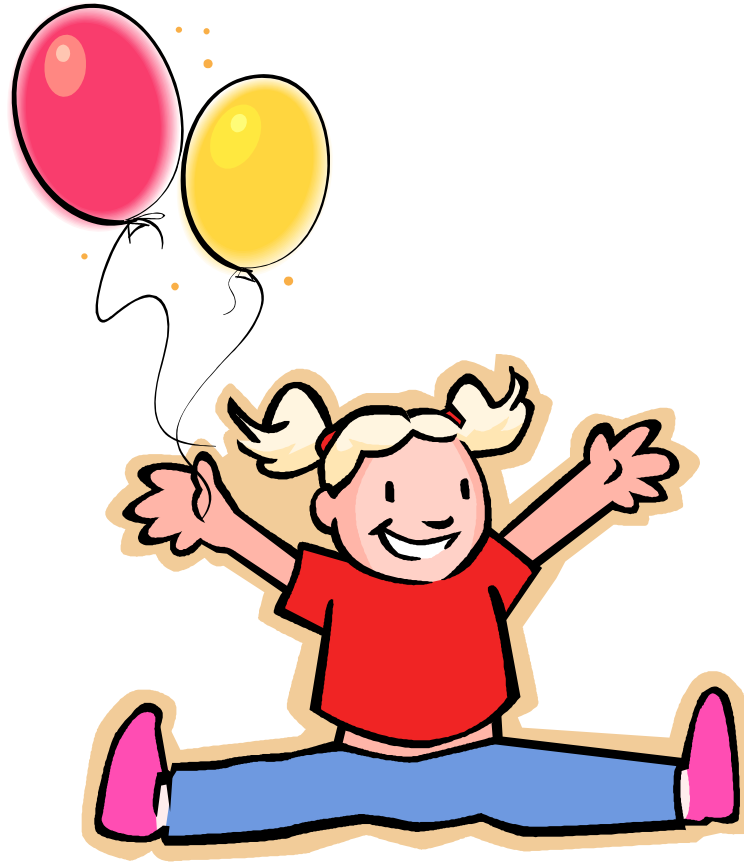

I listen, then do.

I have nice hands.

Circle is fun when we all try to follow the rules.
