

Dear Parents,

Thank you for bringing your child to *Splash Canyon* Vacation Bible School, where God's promises are Yes in Jesus!

Here's what happened in Lesson 4 of our VBS: We learned that **God gives hope! Yes, He does!** Our *River Run* Bible Story was "**God Saves Paul from the Sea**" in Acts 27:13–44. In spite of a wild storm, God kept His promise to Paul that he would witness to Jesus in Rome. Whatever crisis is tossing us around on the white water of life, God's Yes, Jesus, our Savior, rides out the storm with us. God keeps His promises. He did not abandon His people, and He will not abandon us. God's faithfulness in the past sustains our faith. His presence with us now fills us with His love, and we wait in hope for our eternal joy, peace, and life in God's presence.

The **Lesson 4 God's Promise Collectible** reminds us that "God gives hope. Yes, He does!" It shows how God gave Paul hope and kept His promise to save him and everyone else when their ship was wrecked in a storm. The Bible verse is on the back.

**Bible Memory Verse:** God promises: "When you pass through the waters, I will be with you; and through the rivers, they shall not overwhelm you." Isaiah 43:2

**A Prayer for Lesson 4:** Dear God, You saved Paul from the sea, and You save us in Jesus. Thank You for the certain hope You give in life's rough waters and calm seas. Help us to share Your hope and the love of Jesus with others by the things we say and do. In Jesus' name we pray. Amen.

**Snack:** Today's snack was Wild Ride Boat. We enjoyed apple slices, marshmallows and goldfish crackers.

If you have any concerns or questions this week, please contact me using the information listed below. We're looking forward to our next time together!

**VBS Blessing:** God be with us and bless us with His overflowing love through Jesus, our Savior.

**Reminder:** Wear your VBS T-shirts tomorrow!
